

CITY OF MALIBU

ONSITE WASTEWATER INFORMATION

The city often gets calls from REALTORS about properties that could be outside of Malibu but the zip code says Malibu. This link will tell you if the address is inside the city's jurisdiction <https://www.malibucity.org/gis>

To find if there is an active operating permit: city records can be found on 'OnBase' <https://www.malibucity.org/794/OnBase-Portal>
ESD-OWTS

If there is not currently an active operating permit contact a registered OWTS practitioner and advise client to obtain an operating permit before the close of escrow. [Click here for the list](#)
